

HEAD OF POWER

- *Local Government Act*, section 9(1)
- *Environmental Protection Act 1994*, sections (3) and (5)

INTENT

This policy covers air, water and noise pollution impacts that may adversely affect our employees, the public and/ or our natural environment.

Council's Environmental Health team implements Bundaberg Regional Council's regulatory functions in protecting the community from adverse air, water and noise impacts.

The purpose of this policy is to ensure that the Bundaberg Region, and Council employees and contractors lead by example in matters of environmental excellence.

SCOPE

This policy applies to all employees, volunteers, contractors, and visitors to Council's workplaces. It also applies to all residents and visitors where their activities have adverse impact on others.

DEFINITIONS

Employee means a local government employee as defined in the *Local Government Act 2009*.

POLICY STATEMENT

1. Council will ensure our strategic and operational activities are planned and conducted in such a manner as to minimise, and where practical avoid, adverse effects of air, water and noise pollution on our community.
2. Council aims to be proactive in the:
 - Reduction and/or elimination of environmental risks caused by air, water and noise pollution.
 - Promotion of the requirements of relevant legislation and association regulations, codes of practice and standards.
 - Development and promotion of strategies and practices in the areas of environmental hazard identification and risk management.
 - Elimination and prevention of the risk of environmental harm due to the workplace or workplace activities.
 - Provision of adequate regulatory resources and environmental management training caused by air, water and noise pollution.
3. Council will achieve its objectives through compliance with the Environmental Policy Statement and the requirements of the *Environmental Protection Act 1994* and regulations.
