Infrastructure charges register

Reporting of levied infrastructure charges associated with development approvals
Bundaberg Regional Council
Infrastructure charges register: 11/6/2006 to 27/03/2024

Note:
 Day development approval will lapse: Refer to the Development Approval for all applications
 How the automatic increase provision was calculated (if applicable): See charges notice for all applications.
 How the infrastructure charge was calculated: See charges notice for all applications.

Development approval reference number	DA Description	DA Type	DA Approval Date	Real property description (of development approval)	Suburb or locality where the charge was levied	If the charge is a result of an infrastructure charges notice, the notice reference number	If the charge is a result of an infrastructure charges notice, the day the infrastructure charges notice was given	If the levied charge is the subject of the infrastructure agreement, any reference number given to the agreement	If the levied charge is the subject of the infrastructure agreement, the date of the agreement	Charges resolution (the charge was levied under)	Offsets applicable (details)	Refunds applicable (details)	Total Amount Payable	If the levied charge is subject to an automatic increase provision	If infrastructure to be provided instead of paying the levied infrastructure charge, the infrastructure details	Infrastructure charge paid	and day on which it was paid	Infrastructure charge unpaid (if due and not paid in full)

Infrastructure charges register

Reporting of levied infrastructure charges associated with development approvals
Bundaberg Regional Council
Infrastructure charges register: 11/6/2006 to 27/03/2024

Note:

Day development approval will lapse: Refer to the Development Approval for all applications

How the automatic increase provision was calculated (if applicable): See charges notice for all applications.

How the infrastructure charge was calculated: See charges notice for all applications.

Development approval reference number	DA Description	DA Type	DA Approval Date	Real property description (of development approval)	Suburb or locality where the charge was levied	If the charge is a result of an infrastructure charges notice, the notice reference number	If the charge is a result of an infrastructure charges notice, the day the infrastructure charges notice was given	If the levied charge is the subject of the infrastructure agreement, any reference number given to the agreement	If the levied charge is the subject of the infrastructure agreement, the date of the agreement	Charges resolution (the charge was levied under)	Offsets applicable (details)	Refunds applicable (details)	Total Amount Payable	If the levied charge is subject to an automatic increase provision	If infrastructure to be provided instead of paying the levied infrastructure charge, the infrastructure details	Infrastructure charge paid	and day on which it was paid	Infrastructure charge unpaid (if due and not paid in full)

Infrastructure charges register

Reporting of levied infrastructure charges associated with development approvals
Bundaberg Regional Council
Infrastructure charges register: 11/6/2006 to 27/03/2024

Note:

Day development approval will lapse: Refer to the Development Approval for all applications
How the automatic increase provision was calculated (if applicable): See charges notice for all applications .
How the infrastructure charge was calculated: See charges notice for all applications.

Development approval reference number	DA Description	DA Type	DA Approval Date	Real property description (of development approval)	Suburb or locality where the charge was levied	If the charge is a result of an infrastructure charges notice, the notice reference number	If the charge is a result of an infrastructure charges notice, the day the infrastructure changes notice was given	If the levied charge is the subject of the infrastructure agreement, any reference number given to the agreement	If the levied charge is the subject of the infrastructure agreement, the date of the agreement	Charges resolution (the charge was levied under)	Offsets applicable (details)	Refunds applicable (details)	Total Amount Payable	If the levied charge is subject to an automatic increase provision	If infrastructure to be provided instead of paying the levied infrastructure charge, the Infrastructure details	Infrastructure charge paid	and day on which it was paid	Infrastructure charge unpaid (if due and not paid in full)

Infrastructure charges register

**Reporting of levied infrastructure charges associated with development approvals
Bundaberg Regional Council
Infrastructure charges register: 11/6/2006 to 27/03/2024**

Note:

Day development approval will lapse: Refer to the Development Approval for all applications
How the automatic increase provision was calculated (if applicable): See charges notice for all applications.
How the infrastructure charge was calculated: See charges notice for all applications.

Development approval reference number	DA Description	DA Type	DA Approval Date	Real property description (of development approval)	Suburb or locality where the charge was levied	If the charge is a result of an infrastructure charges notice, the notice reference number	If the charge is a result of an infrastructure charges notice, the day the infrastructure charges notice was given	If the levied charge is the subject of the infrastructure agreement, any reference number given to the agreement	If the levied charge is the subject of the infrastructure agreement, the date of the agreement	Charges resolution (the charge was levied under)	Offsets applicable (details)	Refunds applicable (details)	Total Amount Payable	If the levied charge is subject to an automatic increase provision	If infrastructure to be provided instead of paying the levied infrastructure charge, the infrastructure details	Infrastructure charge paid	and day on which it was paid	Infrastructure charge unpaid (if due and not paid in full)

Infrastructure charges register

Reporting of levied infrastructure charges associated with development approvals
Bundaberg Regional Council
Infrastructure charges register: 11/6/2006 to 27/03/2024

Note:

Day development approval will lapse: Refer to the Development Approval for all applications
How the automatic increase provision was calculated (if applicable): See charges notice for all applications.
How the infrastructure charge was calculated: See charges notice for all applications.

Development approval reference number	DA Description	DA Type	DA Approval Date	Real property description (of development approval)	Suburb or locality where the charge was levied	If the charge is a result of an infrastructure charges notice, the notice reference number	If the charge is a result of an infrastructure charges notice, the day the infrastructure charges notice was given	If the levied charge is the subject of the infrastructure agreement, any reference number given to the agreement	If the levied charge is the subject of the infrastructure agreement, the date of the agreement	Charges resolution (the charge was levied under)	Offsets applicable (details)	Refunds applicable (details)	Total Amount Payable	If the levied charge is subject to an automatic increase provision	If infrastructure to be provided instead of paying the levied infrastructure charge, the infrastructure details	Infrastructure charge paid	and day on which it was paid	Infrastructure charge unpaid (if due and not paid in full)

Infrastructure charges register

Reporting of levied infrastructure charges associated with development approvals
 Bundaberg Regional Council
 Infrastructure charges register: 11/6/2006 to 27/03/2024

Note:

Day development approval will lapse: Refer to the Development Approval for all applications

How the automatic increase provision was calculated (if applicable): See charges notice for all applications.

How the infrastructure charge was calculated: See charges notice for all applications.

Development approval reference number	DA Description	DA Type	DA Approval Date	Real property description (of development approval)	Suburb or locality where the charge was levied	If the charge is a result of an infrastructure charges notice, the notice reference number	If the charge is a result of an infrastructure charges notice, the day the infrastructure changes notice was given	If the levied charge is the subject of the infrastructure agreement, any reference number given to the agreement	If the levied charge is the subject of the infrastructure agreement, the date of the agreement	Charges resolution (the charge was levied under)	Offsets applicable (details)	Refunds applicable (details)	Total Amount Payable	If the levied charge is subject to an automatic increase provision	If infrastructure to be provided instead of paying the levied infrastructure charge, the Infrastructure details	Infrastructure charge paid	and day on which it was paid	Infrastructure charge unpaid (if due and not paid in full)

Infrastructure charges register

Reporting of levied infrastructure charges associated with development approvals
Bundaberg Regional Council
Infrastructure charges register: 11/6/2006 to 27/03/2024

Note:
Day development approval will lapse: Refer to the Development Approval for all applications
How the automatic increase provision was calculated (if applicable): See charges notice for all applications.
How the infrastructure charge was calculated: See charges notice for all applications.

Development approval reference number	DA Description	DA Type	DA Approval Date	Real property description (of development approval)	Suburb or locality where the charge was levied	If the charge is a result of an infrastructure charges notice, the notice reference number	If the charge is a result of an infrastructure charges notice, the day the infrastructure changes notice was given	If the levied charge is the subject of the infrastructure agreement, any reference number given to the agreement	If the levied charge is the subject of the infrastructure agreement, the date of the agreement	Charges resolution (the charge was levied under)	Offsets applicable (details)	Refunds applicable (details)	Total Amount Payable	If the levied charge is subject to an automatic increase provision	If infrastructure to be provided instead of paying the levied infrastructure charge, the Infrastructure details	Infrastructure charge paid	and day on which it was paid	Infrastructure charge unpaid (if due and not paid in full)

Infrastructure charges register

Reporting of levied infrastructure charges associated with development approvals
Bundaberg Regional Council
Infrastructure charges register: 11/6/2006 to 27/03/2024

Note:

Day development approval will lapse: Refer to the Development Approval for all applications

How the automatic increase provision was calculated (if applicable): See charges notice for all applications .

How the infrastructure charge was calculated: See charges notice for all applications.

Development approval reference number	DA Description	DA Type	DA Approval Date	Real property description (of development approval)	Suburb or locality where the charge was levied	If the charge is a result of an infrastructure charges notice, the notice reference number	If the charge is a result of an infrastructure charges notice, the day the infrastructure charges notice was given	If the levied charge is the subject of the infrastructure agreement, any reference number given to the agreement	If the levied charge is the subject of the infrastructure agreement, the date of the agreement	Charges resolution (the charge was levied under)	Offsets applicable (details)	Refunds applicable (details)	Total Amount Payable	If the levied charge is subject to an automatic increase provision	If infrastructure to be provided instead of paying the levied infrastructure charge, the Infrastructure details	Infrastructure charge paid	and day on which it was paid	Infrastructure charge unpaid (if due and not paid in full)

Infrastructure charges register

Reporting of levied infrastructure charges associated with development approvals
 Bundaberg Regional Council
 Infrastructure charges register: 11/6/2006 to 27/03/2024

Note:
 Day development approval will lapse: Refer to the Development Approval for all applications
 How the automatic increase provision was calculated (if applicable): See charges notice for all applications.
 How the infrastructure charge was calculated: See charges notice for all applications.

Development approval reference number	DA Description	DA Type	DA Approval Date	Real property description (of development approval)	Suburb or locality where the charge was levied	If the charge is a result of an infrastructure charges notice, the notice reference number	If the charge is a result of an infrastructure charges notice, the day the infrastructure changes notice was given	If the levied charge is the subject of the infrastructure agreement, any reference number given to the agreement	If the levied charge is the subject of the infrastructure agreement, the date of the agreement	Charges resolution (the charge was levied under)	Offsets applicable (details)	Refunds applicable (details)	Total Amount Payable	If the levied charge is subject to an automatic increase provision	If infrastructure to be provided instead of paying the levied infrastructure charge, the Infrastructure details	Infrastructure charge paid	and day on which it was paid	Infrastructure charge unpaid (if due and not paid in full)

Infrastructure charges register

Reporting of levied infrastructure charges associated with development approvals
Bundaberg Regional Council
Infrastructure charges register: 11/6/2006 to 27/03/2024

Note:
Day development approval will lapse: Refer to the Development Approval for all applications
How the automatic increase provision was calculated (if applicable): See charges notice for all applications.
How the infrastructure charge was calculated: See charges notice for all applications.

Development approval reference number	DA Description	DA Type	DA Approval Date	Real property description (of development approval)	Suburb or locality where the charge was levied	If the charge is a result of an infrastructure charges notice, the notice reference number	If the charge is a result of an infrastructure charges notice, the day the infrastructure charges notice was given	If the levied charge is the subject of the infrastructure agreement, any reference number given to the agreement	If the levied charge is the subject of the infrastructure agreement, the date of the agreement	Charges resolution (the charge was levied under)	Offsets applicable (details)	Refunds applicable (details)	Total Amount Payable	If the levied charge is subject to an automatic increase provision	If infrastructure to be provided instead of paying the levied infrastructure charge, the infrastructure details	Infrastructure charge paid	and day on which it was paid	Infrastructure charge unpaid (if due and not paid in full)

Infrastructure charges register

Reporting of levied infrastructure charges associated with development approvals
Bundaberg Regional Council
Infrastructure charges register: 11/6/2006 to 27/03/2024

Note:

Day development approval will lapse: Refer to the Development Approval for all applications

How the automatic increase provision was calculated (if applicable): See charges notice for all applications.

How the infrastructure charge was calculated: See charges notice for all applications.

Development approval reference number	DA Description	DA Type	DA Approval Date	Real property description (of development approval)	Suburb or locality where the charge was levied	If the charge is a result of an infrastructure charges notice, the notice reference number	If the charge is a result of an infrastructure charges notice, the day the infrastructure charges notice was given	If the levied charge is the subject of the infrastructure agreement, any reference number given to the agreement	If the levied charge is the subject of the infrastructure agreement, the date of the agreement	Charges resolution (the charge was levied under)	Offsets applicable (details)	Refunds applicable (details)	Total Amount Payable	If the levied charge is subject to an automatic increase provision	If infrastructure to be provided instead of paying the levied infrastructure charge, the infrastructure details	Infrastructure charge paid	and day on which it was paid	Infrastructure charge unpaid (if due and not paid in full)

Infrastructure charges register

Reporting of levied infrastructure charges associated with development approvals
 Bundaberg Regional Council
 Infrastructure charges register: 11/6/2006 to 27/03/2024

Note:

Day development approval will lapse: Refer to the Development Approval for all applications

How the automatic increase provision was calculated (if applicable): See charges notice for all applications

How the infrastructure charge was calculated: See charges notice for all applications

Development approval reference number	DA Description	DA Type	DA Approval Date	Real property description (of development approval)	Suburb or locality where the charge was levied	If the charge is a result of an infrastructure charges notice, the notice reference number	If the charge is a result of an infrastructure charges notice, the day the infrastructure changes notice was given	If the levied charge is the subject of the infrastructure agreement, any reference number given to the agreement	If the levied charge is the subject of the infrastructure agreement, the date of the agreement	Charges resolution (the charge was levied under)	Offsets applicable (details)	Refunds applicable (details)	Total Amount Payable	If the levied charge is subject to an automatic increase provision	If infrastructure to be provided instead of paying the levied infrastructure charge, the infrastructure details	Infrastructure charge paid	and day on which it was paid	Infrastructure charge unpaid (if due and not paid in full)
