

Bluewater Drive, Elliott Heads

Drainage Works and Footpath Installation

Issue 1 – May 2024

Bundaberg Regional Council will be undertaking drainage works and replacing the footpath between Bluewater Drive and Welch Street, Elliott Heads as highlighted in yellow on the map above.

Work is planned to commence late May and will be undertaken mostly weekdays, during the hours of 6 am and 5 pm. Weather permitting, work will be completed late June.

During construction, the footpath will be closed to all traffic. There will be detours in place and appropriate signage to guide pathway users.

The Site Supervisor will liaise directly with affected residents to facilitate property access during construction.

The Site Supervisor will also discuss where to place your wheelie bin prior to the day of collection where construction works conflict with your refuse collection.

Bundaberg Regional Council is aware of the inconvenience construction work causes and thanks residents and road users in advance for their patience and co-operation.

If you have concerns in relation to the upgrade works, contact Civil Works Engineer, Daniel Price 1300 883 699 or email the Civil Works team at: civilworks@bundaberg.qld.gov.au

During construction, please direct any site enquiries to the Site Supervisor as per the contact information provided below.
