

Moore Park Beach SES, Moore Park Beach

Carpark Upgrade

Issue 2– June 2024

Bundaberg Regional Council will be upgrading the SES carpark at 134 Murdochs Road, Moore Park Beach as highlighted in yellow on the map above.

Work is planned to commence early June 2024 and will be undertaken weekdays, during the hours of 7 am and 5 pm. Weather permitting, work will be completed within one week.

During construction, sections of the road will have reduced speed limits. Appropriate signage will be in place to guide road users.

The Site Supervisor will liaise with directly affected residents to facilitate property access during construction.

The Site Supervisor will also discuss where to place your wheelie bin prior to the day of collection where construction works conflict with your refuse collection.

Bundaberg Regional Council is aware of the inconvenience construction work causes and thanks residents and road users in advance for their patience and co-operation.

If you have concerns in relation to the upgrade works, please contact Council's Engineer Balvinder Gill on 1300 883 699 or email the Civil Works team at:

civilworks@bundaberg.qld.gov.au

During construction, please direct any site enquiries to the Site Supervisor as per the contact information.
