

Wallaville Goondoon Road, Bungadoo

Culvert Replacement

Issue 1 – June 2024

Bundaberg Regional Council will be replacing the culvert on Wallaville Goondoon Road, Bungadoo as highlighted in yellow on the map to the right.

Work is planned to commence early July 2024 and will be undertaken weekdays as daytime works. Weather permitting, work will be completed early November 2024.

During construction, the section of Wallaville Goondoon Road between Snake Creek Road and Bundaberg Gin Gin road will be closed to traffic. Detours and traffic management measures will be in place with appropriate signage to guide road users.

The Site Supervisor will liaise with directly affected residents to facilitate property access during construction.

The Site Supervisor will also discuss where to place your wheelie bin prior to the day of collection where construction works conflict with your refuse collection.

Bundaberg Regional Council is aware of the inconvenience construction work causes and thanks residents and road users in advance for their patience and co-operation.

If you have concerns in relation to the works, please contact Civil Works Engineer, Tony Wright on 1300 883 699 or email the Civil Works team at: civilworks@bundaberg.qld.gov.au

Please direct any site enquiries to the Site Supervisor as per the contact information.
