

# Croft & Whalley Streets, Bargara

## Road Rehabilitation

Issue 2 – July 2024

**UPDATE: Construction works at Croft and Whalley Streets, Bargara will be extended due to inclement weather and poor site conditions. Work is expected to be completed by late August 2024.**

Bundaberg Regional Council will be completing road rehabilitation works on Croft Street, the intersection of Croft and Whalley Streets and the eastbound lane on Whalley Street, Bargara as highlighted in yellow on the map above.

Work is planned to commence early June 2024. Work is expected to be undertaken weekdays, between the hours of 6 am and 5 pm, however some weekend work maybe required. Weather permitting, work will be completed by late July 2024.

During construction, sections of the roads will be subject to traffic management measures, including detours. Appropriate signage will be in place to guide road users.

The Site Supervisor will liaise with directly affected residents to facilitate property access during construction.

The Site Supervisor will also discuss where to place your wheelie bin prior to the day of collection where construction works conflict with your refuse collection.

Bundaberg Regional Council is aware of the inconvenience construction work causes and thanks residents and road users in advance for their patience and co-operation.

If you have concerns in relation to the upgrade works, please contact Council's Engineer Justin Brown on 1300 883 699 or email the Civil Works team at: [civilworks@bundaberg.qld.gov.au](mailto:civilworks@bundaberg.qld.gov.au)

During construction, please direct any site enquiries to the Site Supervisor as per the contact information.
