 Circle ten differences

Spot the difference

Plant match up

Find the **six pairs** that look the same. Connect each pair with a line. You should have an extra one left at the end.

- A. Snack on the black **Jabotica fruit** in the Rare fruit tree orchard.
- B. Spot the creamy flowers of the **Bulberin nut** in the Rare fruit tree orchard.
- C. Smell the pink flowering **Azaleas** in the Japanese gardens.
- D. See the pinky red **Lacebark** flowers next to the water bubbler behind the cafe.
- E. Find the red flowering **Weeping Bottlebrush** behind the cafe.
- F. Taste the **finger limes** in the Rare fruit tree orchard.

Can you unscramble these words?

 K D C U

 E E S D

 F W L O R E

 F T R I U

Answer: Duck, seed, flower, fruit.

Where is the ant?

 <input type="checkbox"/> in <input type="checkbox"/> on <input type="checkbox"/> under the leaf	 <input type="checkbox"/> in <input type="checkbox"/> on <input type="checkbox"/> under the tree	 <input type="checkbox"/> in <input type="checkbox"/> on <input type="checkbox"/> under the flower
 <input type="checkbox"/> in <input type="checkbox"/> on <input type="checkbox"/> under the melon	 <input type="checkbox"/> in <input type="checkbox"/> on <input type="checkbox"/> under the branch	 <input type="checkbox"/> in <input type="checkbox"/> on <input type="checkbox"/> under the hole

Answer: Under the leaf, on the tree, on the flower, in the branch, under the melon, under the branch, in the hole

W maze

Help the native bee fly to the **weeping bottlebrush** flower by following the letter **W** through the maze. Spot this red flowering tree behind the cafe. What do the remaining letters spell?

Draw a line to match the plants to their names

- Leichhardt bean**
Cassia brewsteri
Yellow and red pea shaped flowers. Spot it in the playground.
- Sandpiper vine**
Petrea volubilis
Purple flowering vine with rough leaves. Find it in the Hinkler garden behind the cafe.
- Brazilian fern tree**
Schizolobium parahyba
Tall tree with tadpole shaped seeds. Spot it near the cafe.
- Brisbane Golden Wattle**
Acacia fimbriata
Covered in round yellow flowers. Spot them across from the Chinese gardens.

Circle the seven objects that start with the letter 'F'

Answer: Fence, fly, fish, flower, frog, foot, flag.
