

# Wallaville Goondoon Road, Bungadoo

## Culvert Replacement

### Issue 3 – December 2024

Bundaberg Regional Council continues to undertake culvert replacement works on Wallaville Goondoon Road, Bungadoo as highlighted in yellow on the map to the right.

From Friday 20 December 2024 Wallaville Goondoon Road, Bungadoo will be open to road users with some traffic management in place, weather permitting.

The speed limit will be reduced to 80 km/hr until late January 2025 to enable final landscaping works and installation of road furniture.

The Site Supervisor will continue to liaise with directly affected residents to facilitate property access during construction.

The Site Supervisor will also discuss where to place your wheelie bin prior to the day of collection where construction works conflict with your refuse collection.

Bundaberg Regional Council is aware of the inconvenience construction work causes and thanks residents and road users in advance for their patience and co-operation.

If you have concerns in relation to the works, please contact Civil Works Engineer, Tony Wright on 1300 883 699 or email the Civil Works team at: [civilworks@bundaberg.qld.gov.au](mailto:civilworks@bundaberg.qld.gov.au)

Please direct any site enquiries to the Site Supervisor as per the contact information.
