

# Smiths Crossing Rd, Bucca

## Culvert Renewal

Issue 1 – October 2024

Bundaberg Regional Council will be improving drainage on Smiths Crossing Road, Bucca as highlighted in yellow on the map above.

Work is planned to commence early October 2024 and will be undertaken weekdays as daytime works. Weather permitting, work will be completed by late October 2024.

During construction, Smiths Crossing Road will be closed to all traffic. Detours and traffic management measures will be in place with appropriate signage to guide road users.

The Site Supervisor will liaise directly with affected residents to facilitate property access during the works.

The Site Supervisor will also discuss where to place your wheelie bin prior to the day of collection where construction works conflict with your refuse collection.

Bundaberg Regional Council is aware of the inconvenience construction work causes and thanks residents and road users in advance for their patience and co-operation.
