

# Cordalba Park, Holme Street, Cordalba

## Disability Carpark Installation

Issue 1 – October 2024

Bundaberg Regional Council will be installing a disability carpark at Cordalba Park, Cordalba on the Holme Street frontage as highlighted in blue on the map above.

Work is planned to commence late October 2024 and will be undertaken weekdays, during the hours of 6 am and 5 pm. Weather permitting, work will be completed by late November.

During construction, the work site will have security fencing installed. Appropriate signage will be in place to guide pedestrians and road users.

The Site Supervisor will liaise with directly affected residents to facilitate property access during construction.

The Site Supervisor will also discuss where to place your wheelie bin prior to the day of collection where construction works conflict with your refuse collection.

Bundaberg Regional Council is aware of the inconvenience construction work causes and thanks residents and road users in advance for their patience and co-operation.

If you have concerns in relation to the upgrade works, please contact Council's Engineer, Tony Wright on 1300 883 699 or email the Civil Works team at: [civilworks@bundaberg.qld.gov.au](mailto:civilworks@bundaberg.qld.gov.au)

During construction, please direct any site enquiries to the Site Supervisor as per the contact information.
