

# Murdochs Road, Moore Park Beach

## Drainage Improvements

Issue 1 – February 2025

Bundaberg Regional Council will be conducting drainage improvements along Murdochs Road, Moore Park Beach as highlighted in yellow on the map above.

Work is planned to commence 12 February 2025 and will be undertaken weekdays as daytime works. Weather permitting, work will be completed mid March 2025.

During this time, the road will be subject to traffic management measures, including lane closures. Appropriate signage will be in place to guide road and pathway users.

The Site Supervisor will liaise directly with affected residents to facilitate property access during these works.

The Site Supervisor will also discuss where to place your wheelie bin prior to the day of collection where these works conflict with your refuse collection.

Bundaberg Regional Council is aware of the inconvenience Maintenance work causes and thanks residents in advance for their patience and co-operation.

If you have concerns in relation to the upgrade works, contact Civil Engineer on 1300 883 699 or the Civil team at:
