Gravel Resheeting – Ch 929 to Ch 1959

Issue 1 – March 2025

Bundaberg Regional Council will be undertaking road gravel re-sheeting of Three Chain Road, Woongarra highlighted in yellow on the map above.

Work is planned to commence early March 2025, and will be undertaken weekdays as daytime works. Weather permitting, work will be completed within four weeks.

During the work, sections of the road will be subject to traffic management measures and will have appropriate signage to guide motorists.

The Site Supervisor will liaise directly with affected residents to facilitate property access during construction.

The Site Supervisor will also discuss where to place your wheelie bin prior to the day of collection where construction works conflict with your refuse collection.

Bundaberg Regional Council is aware of the inconvenience construction work causes and thanks residents and road users in advance for their patience and co-operation.
