

Baldwin Swamp Access Road, Bundaberg East Road Maintenance

Issue 1 – February 2025

Bundaberg Regional Council will be completing maintenance works on the access road at Baldwin Swamp, off Steindl Street, Bundaberg East, as highlighted in yellow on the map above.

Work is planned to commence 4 March 2025 and will be undertaken weekdays as daytime works. Weather permitting, work will be completed by mid March 2025.

The Baldwin Swamp Environmental Park Shelter Shed will be open to the public.

During the works, an alternative route for vehicle access will be provided on the adjacent vacant block. Appropriate signage will be in place to guide motorists and pedestrians.

Bundaberg Regional Council is aware of the inconvenience road works cause and thanks residents and road users in advance for their patience and co-operation.
